3. The ferries will be leased out for twelve months from 1st July 1893 to 30th June 1894.

4. The monopoly covers only so much of the river as lies within 500 yards on each side of the ferry. The Deputy Commissioner forbids both the transports, within these limits of passengers, &c., as aforesaid and the collection of tolls therefor except by, or on behalf of, the lessee or other person authorized by the Deputy Commissioner.

5. The accepted bidder shall, immediately on the declaration of the acceptance of his bid, produce, before the officer conducting the sale, one-fourth of the accepted bid; failing which, the lease will be resold at the first purchaser's risk.

6. The accepted bidder shall, within 4 days from the date of the acceptance of the bid, execute, in favor of the Deputy Commissioner, a muchalika on a stamped paper with two tangible sureties for the due fulfilment of the contract and deliver it to the Amildar or Sheristadar as the case may be, and thereupon the Deputy Commissioner will authorize the executant of the said muchalika to enter into his contract. If the accepted bidder fails to execute and deliver the muchalika, the lease will be resold or otherwise disposed of at the defaulting bidder's risk, the deposit already made being forfeited to Government.

7. Where there are no boats or "Tokaras," they shall be provided by the lessees at all the ferries. The boats kept by the lessees shall always be of the size and quality approved by the Deputy Commissioner, Executive Engineer or Amildar.

8. Wherever boats and platforms are provided by Government, they shall be returned to Government on the termination of the lease or on being demanded by the Deputy Commissioner or other officer authorized by him on the same condition in which they were supplied to him, subject only to reasonable wear and tear. Loss or damage arising from neglect or want of care shall be made good by the lessee. The lessee shall always be bound to keep the ferries or boats in good order and clean.

9. The lessee shall be entitled to collect tolls at the rates specified in the list hereto annexed, and no fee or toll shall be demanded in the cases enumerated below:—

(d) Children under 12 years of age.

(e) The Deputy Commissioner is, at any time and for any length of time, at liberty to attach the ferry boats for the conveyance of troops, camp equipage and followers, and the contractors and their servants will be bound to give all reasonable assistance to ensure their speedy and safe carriage.

10. The balance of the contract amount shall be paid by the lessee to Government in nine monthly instalments commencing from July 1893, the deposit being credited to the last 3 "Khists." All payments shall be made in the Taluk Treasuries in which the ferry lies.

11. At each ferry, a board showing the rates and the weight to be carried should be put up in a conspicuous place by the lessee at all times when the ferry is worked, excepting those places where provision is made by the Deputy Commissioner.
